The format: **Opening Round** - Competitors will bowl 3 games across 3 pair of lanes. Each bowler will skip one pair to the right after each game following the arrows for starting lanes. Bowlers who are late will receive zero for each frame they are late, no make up. Bowlers will receive Handicap based on 90% of 200 from their middle school average as of May 17th with at least 6 games . If you have any changes please contact us by 10:00 PM EST the day prior to the event.

Elimination Round - The top 8, 16, or 32 (determined by tournament participation) bowlers will be assigned a seed in a bracket. #1 seed will bowl against #32 seed, #2 seed will bowl against #31 seed and so on. The bowlers will then bowl 1 game against the opposite seed with the winner advancing to the next round, loser is eliminated. This will continue until only 1 bowler remains. That bowler will be crowned the tournament champion.

Tie breaker for qualification: highest 3rd game, then 2nd game, 1st game...if necessary then coin flip. If there is a tie for the last spot (i.e. spot #32) then a 9th & 10th frame roll off will determine who gets the spot.
